### **SICK, SICK, SICK ...**

The "guards" (Republic of Ireland's police) could not be "committing crime with impunity" against "the people" without the support of the unelected JUDICIAL BRANCH of the Republic of Ireland's Government, plus the support -- by "deed and omission" -- of the Republic of Ireland's legal profession which is headed by the judges, could they?

Changing the politicians in general elections cannot, by itself, remedy this particularly sick, and socially-destructive situation?

=== === ===

### **MAJOR LONG-STANDING SET OF PROBLEMS WITH THE REPUBLIC OF IRELAND'S LEGAL PROFESSION ...**

*"The two main questions I would now like to put to all addressees of this e-mail are these:*

*1) Why is the legal profession denying me my legal rights in such a stubborn, blatant, contrived, unlawful, and completely uncaring and callous manner for the past several years?;*

*and,*

*2) What (if anything) can anybody do to stop this outrageous and thoroughly corrupt abuse of the law by the*

*legal profession?"*

The excerpt in the section just above is from an email dated May 29th 2007 to former Chief Justice of the Republic of Ireland **John L. Murray**, who is one of the world's highest paid judges. A FULL COPY of the email in question, which was titled "The curse of unconstitutional legislation", can be viewed at the following www location:

**OUR LEGAL PROFESSION IS CAUSING, SUSTAINING, AND **EXACERBATING** C-PTSD (COMPLEX-POST TRAUMATIC STRESS DISORDER) ...**

One example of this relates to William Finnerty, and the ongoing activities of An Garda Síochána (Republic of Ireland Police), who are the very willing puppets and accomplices of the Republic of Ireland's legal profession:

**IMPUNITY ...**

*"Impunity" means the impossibility, de jure or de facto, of bringing the perpetrators of violations to account – whether in criminal, civil, administrative or disciplinary proceedings – since they are not subject to any inquiry that might lead to their being accused, arrested, tried and, if found guilty, sentenced to appropriate penalties, and to making reparations to their victims."*

The above definition for "impunity" is from the **United Nations** text titled **"Updated Set of principles for the protection and promotion of human rights through action to combat impunity"**, which can be viewed in full at the following www location:

**CHARTER OF THE FUNDAMENTAL RIGHTS OF THE EUROPEAN UNION ...**

*"CHAPTER VI*

*JUSTICE*

*Article 47*

*Right to an effective remedy and to a fair trial*

*Everyone whose rights and freedoms guaranteed by the law of the Union are violated has the right to an effective remedy before a tribunal in compliance with the conditions laid down in this Article.*

*Everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial*

*tribunal previously established by law. Everyone shall have the possibility of being advised, defended and represented.*

*Legal aid shall be made available to those who lack sufficient resources in so far as such aid is necessary to ensure effective access to justice."*
